Fall Edition
October 2016

Letter from the Director

Happy autumn from your Briarcrest Neighborhood Association! Summer seemed to just suddenly end, didn't it? Hope you're enjoying the brisk weather!

We had a busy summer! Our annual Briarcrest Summer Picnic, which took place August 27 in Hamlin Park, was a fun gathering for neighbors. We enjoyed BBQ'd burgers and hot dogs, an ice cream feed, a cake walk and lots of neighborly conversation. Hope to see you at next year's event!

Also in August, we created and delivered Hospitality/Welcome packets to 52 new Briarcrest neighbors! The packets include an assortment of flyers provided by the city as well as a lovely new neighborhood map. If you are a new resident of Briarcrest or know someone who is (home-owners and renters) and would like a welcome packet, contact us and we'll bring you one!

Our neighborhood storytelling evenings began again on Friday, September 9th after being on hiatus for the summer. A nice group shared travel adventures, camping tales, and even songs! We'll meet next on Friday, November 4th at the home of Jon and Amy Anscher, 16010 - 25th Ave NE from 7 to 9 pm. Please join us for tales and treats! Come prepared with a five- to seven-minute story or just come to listen.

In September, the BNA hosted a discussion about Shoreline's Parks, Recreation and Open Spaces plan with Eric Friedli, Director of Shoreline Parks. Ideas discussed were possibilities for the Fircrest property (recommissioning the swimming pool? a community pea-patch?), potential locations for a play area on the east side of Hamlin Park, and making South Woods Park more attractive and useful to neighbors. BNA'ers spoke to the importance of providing services here in our neighborhood, as many of our residents are less likely than residents of more affluent parts of the city to be able to travel to take advantage of recreation options. You can join in this important conversation here:
<http://www.cityofshoreline.com/government/departments/parks-recreation-cultural-services/parks-recreation-cultural-services-planning/communication-and-outreach>

As always, the BNA would like to make a difference in our neighborhood, whether by helping with school or community projects, assisting neighbors with establishing their own Shoreline Watch program, or hosting discussions of neighborhood issues of concern. If you have a project or an issue you'd like help with, let your Briarcrest Neighborhood Association know about it!

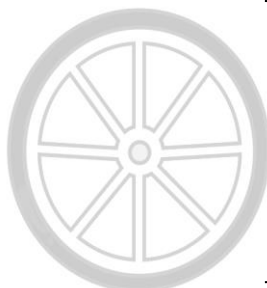

You can find us at our website (briarcrestneighbors.org), our Briarcrest Neighbors Google Group (groups.google.com/forum/?hl=en#!forum/briarcrestneighbors) and on our Facebook page ([facebook.com/Briarcrest Neighbors](https://facebook.com/BriarcrestNeighbors)) or contact me at jmhilde@earthlink.net or 206-362-4315.

We invite you to join us at our regular Briarcrest Neighborhood Association meetings* (second Tuesday of each month at Patty Pan Co-operative Kitchen, 7:00 to 8:30 pm) as well as our neighborhood events. We look forward to meeting you or seeing you again!

Jean Hilde-Fulghum
BNA Director

*Next meeting is
November 15, due to election

The Briar Patch

The west side of Briarcrest Elementary School, between the building and tree canopy, is now known as "The Briar Patch." For years, this space was relatively unused, but over the past year, Briarcrest Elementary School PTA board member April Ingle and University of Washington Community, Environment and Planning student Yifan Li worked together to design a space that can be used as an outdoor classroom and garden.

The garden plan includes established garden beds, murals painted on the ground, and art decorating the fence. The garden's produce will act as a CSA for students at the school who have a food scarcity at home.

Leadership is currently applying for grants, fundraising, and accepting donations so all materials can be purchased by early spring 2017. Volunteers are needed to help this plan become a reality. Please check out the Briarcrest PTA website (briarcrestpta.ourschoolpages.com/Home) and click on "The Briar Patch" link on the left hand side for more information and history on the project. The garden is intended to act as a Pea Patch during the summer months, so start thinking ahead and pitching in as a steward of the space in exchange for fresh organic produce.

Parents' Night Out

Parents' Night Out is for any parent of a child or children age six months through eleven years old who might need a little time in December. Use this time for Christmas shopping without children, a date night, or just plain "me" time! The First Christian Reformed Church will provide a safe environment, free of charge, where the children can enjoy playtime, games, and snacks with other children under the supervision of qualified adults. Friday, December 9 from 6:30-9:00 pm. Sponsored by First Christian Reformed Church, please register by email office@seattlecrc.org or call 206-364-3021.
